/Arthur Duran/
Primary Examiner, Art Unit 3622

Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant's representative discussed proposed amendment to claim 1. First, consideration to change "determining whether to utilize a legal information communication..." to positively recite claimed method. Second, change the claim language to clarify the "legal information communication". Third, claim amendment will better define a legal information communication being delivered with a document in order to overcome the Gerace reference. Examiner agreed that the proposed amendment could potentially overcome the Gerace reference, however, noted that an additional search of the Gerace reference would be necessary.
